Health Promotion Committee

On June 30, the Health Promotion Committee hosted a Kick-Off event for employees at the Lilly Nature Center for its new challenge promoting physical activity entitled *Trail Trek*. Healthy snacks were served and employees were able to pick up a Trail Guide along with clues for locating fifteen tags on the West Lafayette trail system. Each tag contains part of two wellness themed phrases. Participants will have eight weeks to complete the hunt for the tags. The Committee plans to make the program available for the public to enjoy this fall.
